

Welcome ...

At the end of this past 12th General Assembly of LLWWEMA, the responsibility of running the day to day operation of LLWWEMA for the next three years (October 2007 to September 2010) was transferred from Indonesia District to the North America District

Rev. Dr. Wilson Lee, and the ceremony where he received the Deed of Transfer of Presidency from Rev. Dr. I. Mastra, President of 12th LLWWEMA

As the 13th term LLWWEMA President, I wanted to express my warmest welcome to you. Your support and prayers to our ministry and to all member churches of our Ling Liang family are very important. I thank God for all our Committee members as they are dedicating diligently to serve. We pray that through the coordination of the Association, our member churches will complement and strengthen each other so that we will have a greater concerted effort to fulfill the Great Commission that our Lord Jesus is charging us. May God be the glory!

(Rev. Wilson Lee, D. Min.)

Our Story ...

In 1908, Rev. Timothy Dzaio was born in Shanghai and answered God's full time service calling in 1925 during the time of Shanghai Great Revival. Around 1949, he became the most widely traveled evangelist and is also the first pastor starting the world-wide mission from the base of an individual local church.

In 1936 to 1938, Rev. Dzaio deeply felt that "now is the time for Chinese Churches to GIVE ... we sincerely hope that Chinese Churches can organize a mission organization dedicated to give our ability and financial resources to God for world missions". In a night of June 1942, Rev. Dzaio and 5 other co-workers, after kneeling down and praying in an empty yard of Huang JiaSha garden, they decided to name this missionary organization as "Ling Liang Church". In August 1942, the Ling Liang Church started Sunday service using the auditorium of Xiejin High School. This Shanghai Ling Liang Church later became the parent church of the Ling Liang World-wide Evangelistic Mission. After September 1942 when the first Ling Liang Church was set up in Shanghai, other branches of Ling Liang Church were also established in Nanjing, Hangzhou, and Suzhou.

Since October 1942, Shanghai Ling Liang Church had started spreading gospel to the twenty thousand Jewish refugees who escaped from the Nazi and Hitler's prosecution and came to Shanghai Hongqiao region. Two female co-workers Esther Wang and Minyuen Lee led these Jews in bible study conducted in English until the end of World War II in 1945, when Ling Liang World-wide Evangelistic Mission was established in Shanghai. The goal of this Mission is "Wishing God will also use us Chinese ministerial workers to spread Gospel in foreign counties, starting from Shanghai (Jerusalem), expand to the whole China (the Land of Judea) and countries in Far East (Samaria), till the end of the world"

In fall of 1947, Ling Liang church ordained Rev. Chuanzhen Lan and Rev. Moses Chou as two pastors to be missionaries and dispatched them to overseas mission fields. Rev. and Mrs. Lan to branch of Ling Liang Church in Calcutta, India and Rev. Chou to Jakarta, Indonesia. They would preach gospel to local

people as well as the overseas Chinese there.

After 1949, Ling Liang World-wide Mission expanded to outside of China, setting up branch Ling Liang Churches in Hong Kong, Taiwan, South East Asia, Japan, North America, UK, and other places. In 1955, Rev. Dzaio founded the Christian Cimoeil University in Jakarta, Indonesia. In February 1956 he also established a Missionary College there. Rev. Dzaio himself traveled all over the world to lead evangelistic meetings, to bring spiritual revival to Chinese churches as well as churches in foreign countries; especially in May to June 1965 he lead over 200 evangelical meetings in five major cities in Korea, and spread Gospel to over half million Korean people, as an example of one of his many cross-culture missionary efforts.

Over the past decades, Ling Liang World-wide Evangelistic Mission has been using church planting as the major way of missionary work. As an example since 2003, Torrance Bread of Life Church has been involved in the Mexico Outreach Missions (*Ling Liang para Mexico*) to participate in setting up churches to spread Gospel to local Mexicans. At the present time, there are many Ling Liang Churches or Bread of Life Churches planted in many nations; and these churches again are planting new churches in their own country or expanding by planting new churches in other countries.

A part of the Ling Liang World-Wide Evangelistic Mission (LLWWEM), in 1971 Elder Richard Ting and other God loving brothers and sisters in various Ling Liang Churches founded the Ling Liang World-Wide Evangelistic Mission Association (LLWWEMA) which now consists of 3 Districts (Hong Kong, Indonesia and North America) and other Ling Liang churches in Australia, India, Philippines, etc. All together, there are currently 42 Ling Liang churches or Bread of Life churches. Other Presidents of LLWWEMA are: Rev. Daniel Cahyadi; Rev. Godwin Ngai; Rev. Wai See Choi; Rev. I Made Mastra; and currently Rev. Wilson Lee. For more details, please go to

Ling Liang Churches in the World ...

Since Dr. Dzaio founded LLWWEM in 1942, now there are over 240 Ling Liang Churches (LLC) or Bread of Life (BOL) Churches in the World. Indeed our name **Ling Liang "World-Wide" Evangelistic Mission** is very fitting!

There are two groups of LLC or BOL Churches: one is included in the LLWWEM Association, or LLWWEMA. The other group is made of LLCs or BOL churches planted directly and indirectly by Bread of Life Christian Church (BOLCC) in Taipei. The chart below shows the status as of April 3, 2008. Dotted line denotes historical origination and solid line denotes organizational relationship.

There are 42 LLCs or BOL member churches within LLWWEMA. These churches are based in US, Canada (North America Districts or NAD), Hong Kong (Hong Kong District or HKD) and Indonesia (Indonesia District), India, Australia and Philippines.

The LLCs in Hong Kong are very active in education, over the years they have established kindergarten, elementary, junior high and senior high schools. In Indonesia, the LLCs also established a seminary for theological training of God's servants. Please go to www.LLWWEMA.org and click [LINK](#)

Our Objectives ...

According to the Constitution of the Ling Liang World-Wide Evangelistic Mission Association, the objectives of LLWWEMA are:

- (1) to help member churches build up a good relationship,
- (2) to help member churches grow, and
- (3) to encourage member churches to have a world vision and active involvement in evangelism.

We therefore strive to establish a good communication network among all of our member churches, to increase a better sense of belonging of every individual member in our Ling Liang Family, to promote more prayers for each other, to share resources and to work together synergistically for Mission projects to advance God's kingdom.

Please visit our web site: www.LLWWEMA.org for more information. Your prayers and supports to the LLWWEMA ministry are very much important and treasured.
