Other Instructions on Application

- (1) Please contact the Pastor or Minister at your Ling Liang Church, or contact one of the following four Association Vice Presidents of Church Care (Jimmy Chui, David Chan, Yau K Ho, or Paul Lam). For each district, we have discussed the STM participant opening allocation. Total openings = 20
- (2) STM location in Nepal: Kathmandu or Lumbini or another location within Nepal
- (3) Mission and target people: Nepali people and local co-workers
- (4) What is expected from the team members: See “**2017 Nepal STM Materials to Prepare**” (document attached).
- (5) We usually have mandatory trainings in person or skype, which are essential to the unity of the team and experience of the individual. Other expectations are preparing oneself physically, emotionally and spiritually, put in broad terms.
- (6) Accommodation: our local co-workers will provide housing and food (cost: \$30/full day)
- (7) Total Cost: plane ticket, living costs, visa fee, etc. The main difference is plane ticket costs, which usually go up around or after April, so we have people buying tickets as early as February.
- (8) Our deadline for sign-up is April 15, but the early the better, since training and team building takes time to prepare, though there have been exceptions of members attending all trainings and confirming a little later due to special circumstances.
